FOOD DRIVES

3 YOU'RE READY TO PROMOTE!

After deciding on what items you want to collect, printing your posters and confirming your dropoff location, date and time, you're ready to share your food drive with your supporters! Locate some boxes or other items to collect your non-perishable food donations.

**Please make sure all boxes are securely taped on the bottom to prevent them from breaking.*

Please remember when hosting your drive, Gleaners and their agencies cannot receive the following items:

- Alcohol/tobacco products
- Items without the ingredients listed
- Home canned goods
- Items in glass jars
- Baby food not in the original packaging

4 READY TO DROP OFF YOUR DONATIONS?

If you have not already done so, please confirm your drop off time and date with the location of your choosing, listed on page one.

Bring all items with you and attach our **Community Partner Referral sheet** to any of your donation boxes, bags or other collection containers. This sheet allows us to see what food is going to our partners, thanks to support of generous donors like you! **Click here** to access a PDF of the referral sheet to print.
