

How to use VolunteerHub

Are you volunteering individually or with a group?

Volunteering individually

Visit
gleaners.volunteerhub.com

Click “create account” on the top right. Fill out the questions to complete your profile.

View available shifts and sign up for the shifts you prefer.

All volunteers will need to sign the Gleaners waiver (1 per calendar year).

**Minors will need to bring a printed copy when volunteering.*

Volunteering with a group

Use the group-specific link you were provided (it includes your group’s name)

**Please check with your group leader if you did not receive a link.*

Fill out the questions to complete your profile.

Group volunteers will be directed to their group’s dedicated volunteer page.

All volunteers will need to sign the Gleaners waiver (1 per calendar year).

**Minors will need to bring a printed copy when volunteering.*

Are you volunteering with anyone under 18?

Yes

Your child(ren) will need their own account(s). To create a VolunteerHub account for another person, you must first log out of your account. This will allow you to repeat the registration steps for your child(ren). The volunteer will need a unique username. However, you may use the same contact information (phone, email, address) across multiple accounts.

No

That’s it! You’re registered. We’ll have you check in with your last name when you arrive.
